

# THE MYSTERY OF THE COLONEL'S GHOST

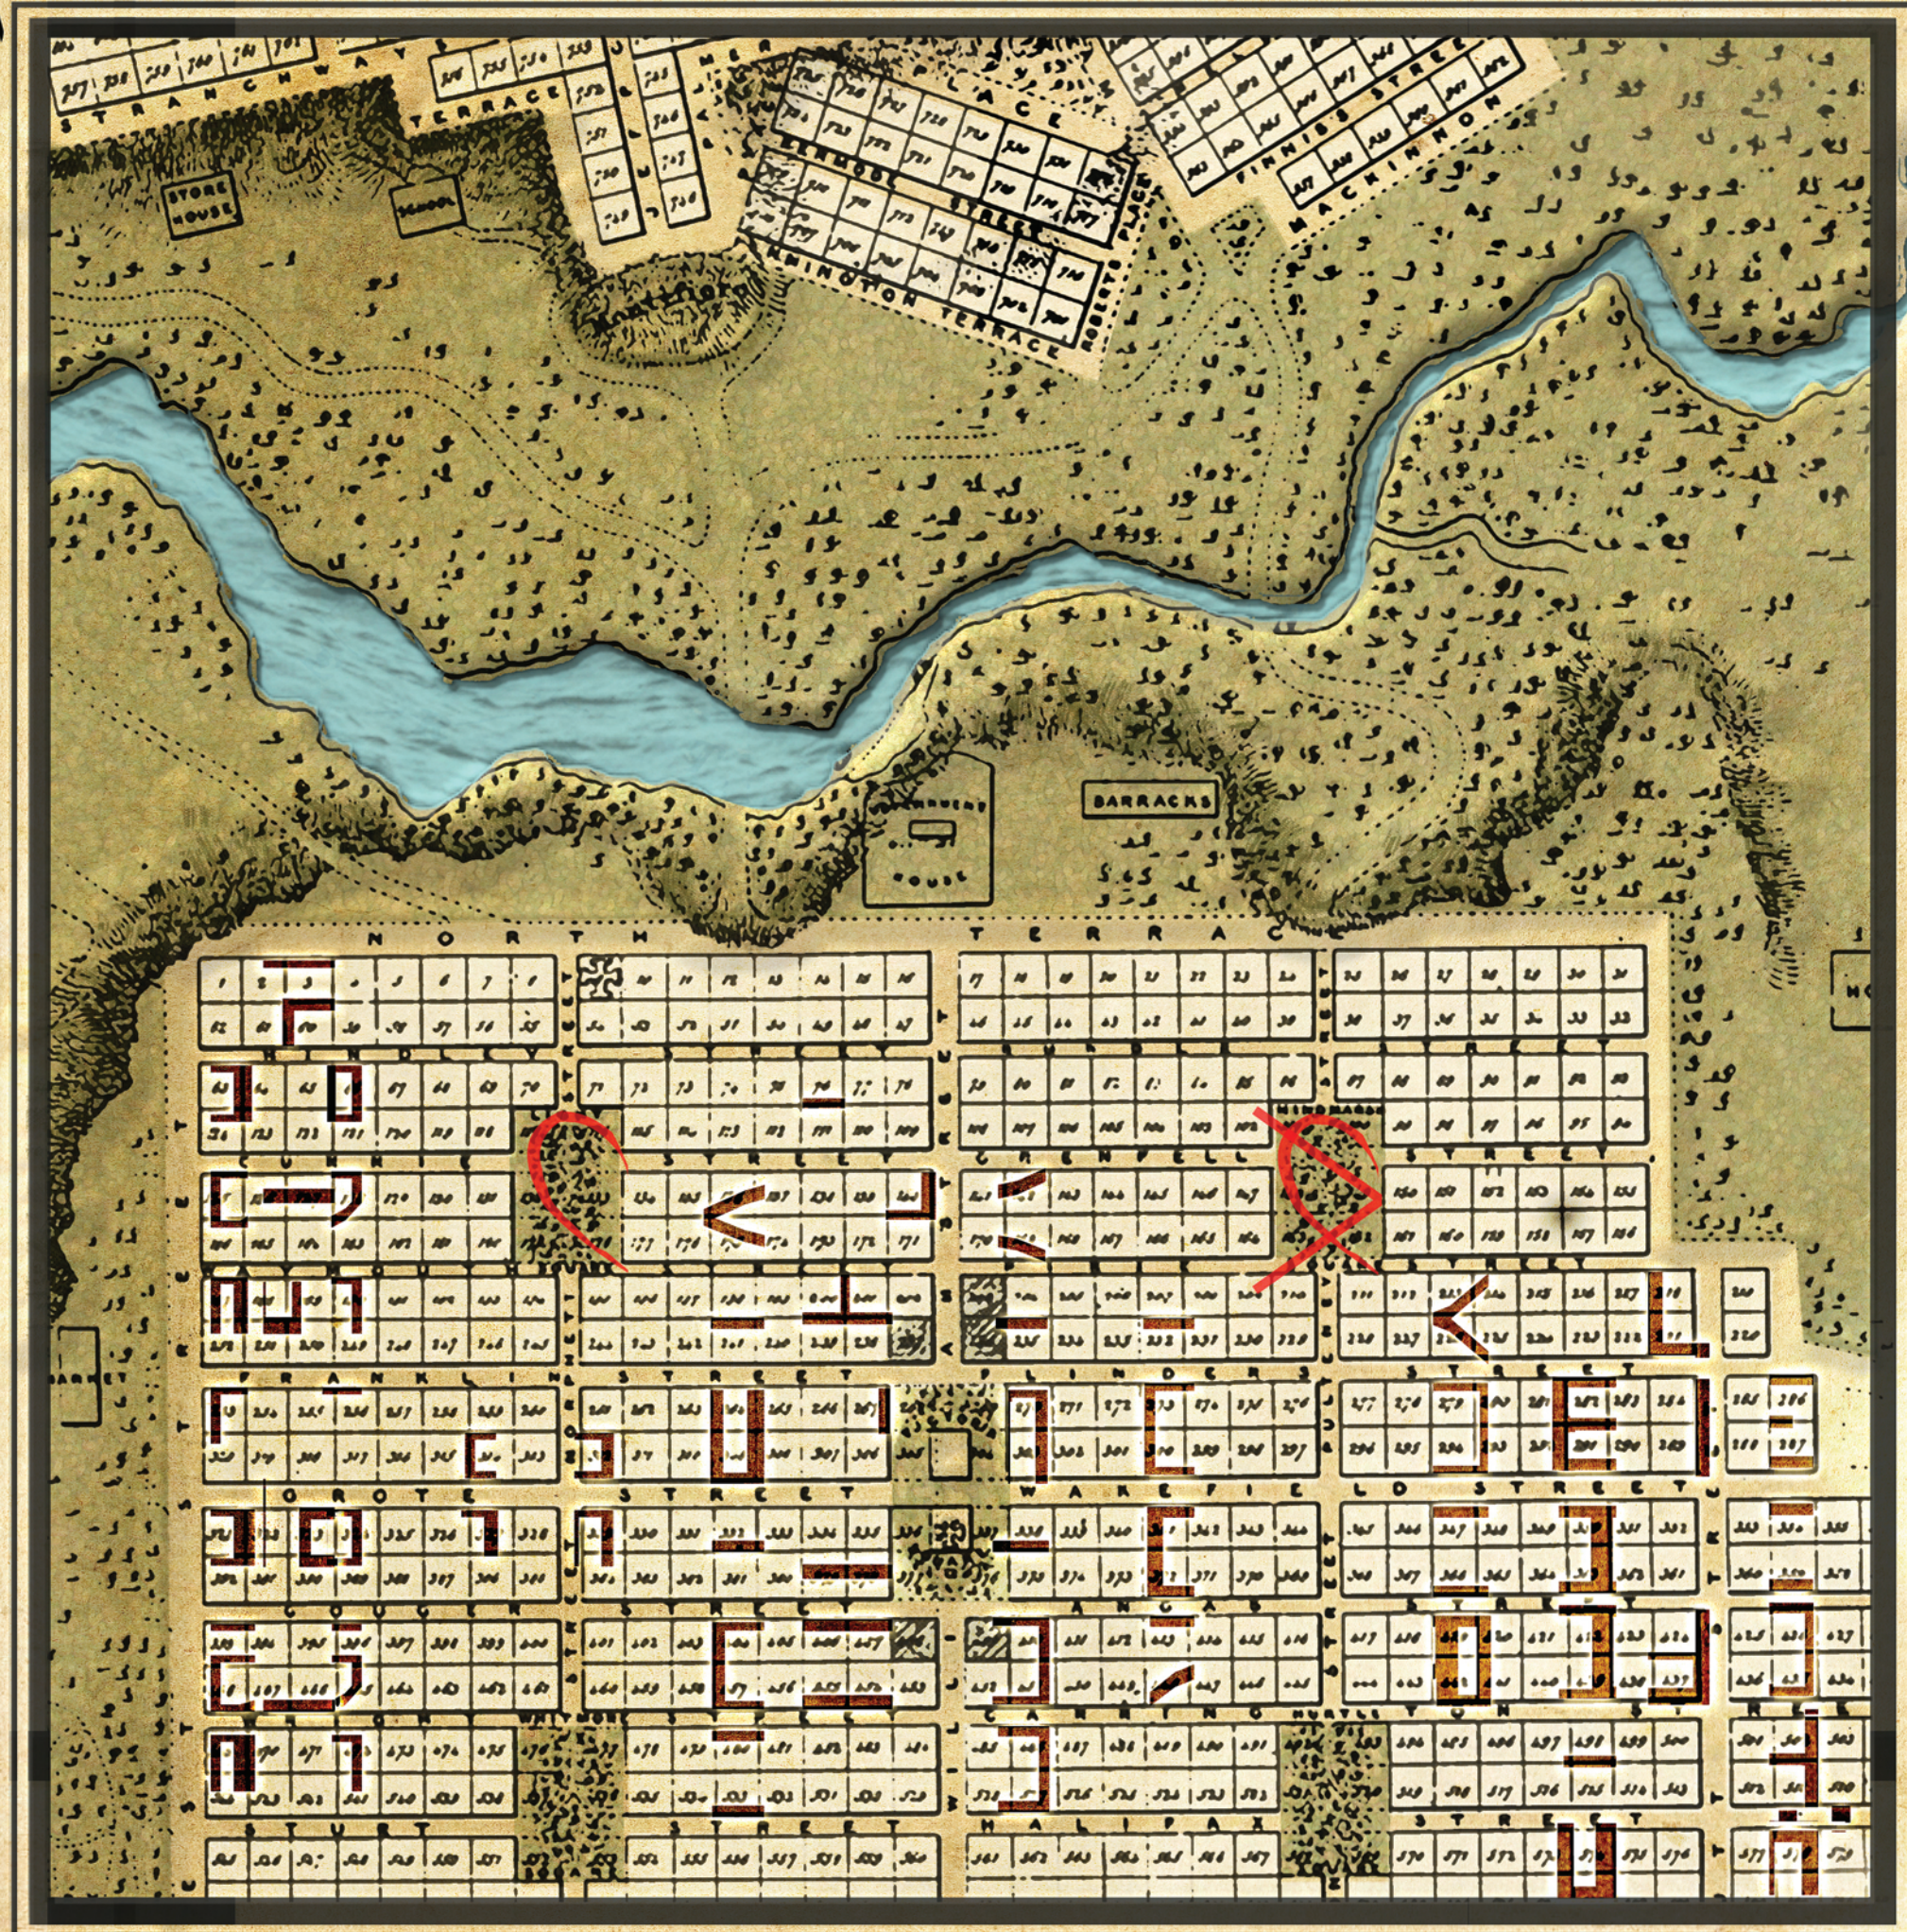

Come and discover the history behind Adelaide's founder and designer Colonel William Light in a GPS-based treasure hunt. Standing on Montefiore Hill, legend has it, Light chose the location for the city of Adelaide and soon started his now famous design of the city street plan. His achievements are also known as Light's Vision, but what was this vision? Find out and wander through Light's Adelaide and 'survey' the land once again in search of Light's hidden message.
